HOW TO REGISTER ONLINE
Assuming you are eligible (see above) to register online, follow the steps below once registration opens.

1. Log in to your account at register.leahiswimschool.com using a desktop browser such as Chrome or Safari. NOTE: The site will not work properly if you’re using a mobile (phone / tablet) browser app. If you don’t remember what email address you used to set up your account, please call us at (808) 234-SWIM (7946) before July 15, 2019 so that we can confirm that information for you prior to the start of Early Registration.

2. Once logged in, click on the blue “Register Now” button to begin the registration process.

3. Select your preferred session, location and students. Remember that you will only be able to register for one session / location at a time.

4. Next, choose the class day and time that works best. You’ll know that you’ve successfully selected a class when that option turns green. NOTE: You will only be able to view / select class options that match the student’s evaluated level. Evaluated levels are predetermined based on recent performance in class.

5. Finally, continue to the payment screen to complete your registration with any major credit card. Remember, all tuition and fees must be paid in full in order to confirm enrollment.
