FAQS:

Q: What happens if i miss my assigned registration time?

A: If you miss your time, you'll still be able to register. Once your time has passed, you can click on the "Register Now" button and register at any time after your scheduled time. We don't recommend this, as classes will fill quickly!

Q: What if none of my preferred times are available?

A: Please utilize the waitlist feature to reserve a space on the waitlist for up to two preferred times. If a space in that class becomes available, you will be notified to sign up for that space.
